

CAMP PHYSICIAN'S PROGRAM APPLICATION

Young Life's Camp Physician Program operates in conjunction with the adult guest programs at our national camp properties. The physician and family are invited to participate in a week of camp to get a closer look at the Young Life ministry and the camping experience. The physician's services during the week allow Young Life an additional degree of professionalism in the medical services provided to campers. Physicians who provide medical care at Young Life camps are covered by Young Life's General Liability Insurance policy. The physician and family are guests of the camp for the week.
